TO CURB CYBER CRIMES IN THE COUNTRY

28. Mr. James Iqbal:

Will the Minister for Interior and Narcotics Control be pleased to state the steps being taken by the Government to strengthen law enforcement agencies to curb the increasing Cyber Crimes in the country?

Minister for Interior and Narcotics Control (Senator Syed Mohsin Raza Naqvi): To address the increasing threat of digital crimes, the Government of Pakistan has shifted from a reactive to a more proactive and institutionalized approach. The Government has taken the following steps to curb the cybercrime focusing on legislative reform, specialized agency formation, and international collaboration.

1. Establishment of National Cyber Crime Investigation Agency (NCCIA)

In a major institutional overhaul, the government has replaced the Federal Investigation Agency's (FIA) Cyber Crime Wing with a more specialized body, the NCCIA, in 2025.

Enhanced Autonomy: The NCCIA has been granted independent authority to investigate and prosecute cybercrime cases.

Forensic Capabilities: The Agency is equipped with modern digital forensic laboratories capable of handling complex cases involving encrypted data, social media offences, and financial fraud.

Enforcement:
